

# Baptisms 1799 -1900

## Recorded in the "Ellington Church Records" 1785 -1907

The baptisms were transcribed as they were written in the record book. For clarity, surnames are included for the baptized, though those for children were not already written. Some facts were verified with online genealogy sources. Although names appear from 1814 to 1835, the years were not recorded.

The following baptisms are from the minutes of Rev. Diodate Brockway, page 344.
